

## March 2017 Newsletter Lorain Wheelmen

February's spring like weather has led us into a early riding season. I can not remember a club ride in February that was over 50 miles, but that is what happened on Sunday 2/19/17. The well attended ride departed Oberlin and went to Milan enjoying sun and warm temperatures.

Last month has given those members who have decided to accept the challenge of "Grand Fondo Hincapie 2017" time to start their training for the event early in this year.

With no pressing business for the club to deal with, I have decided not to hold a general club meeting in March.

The club banquet planning is progressing with a date of April 30th suggested and the location as FEVE upstairs's party area. More details will be forthcoming in the April newsletter.

It is time to dust off the bike and start riding as the weather is inviting.

**It is time to pay your membership for 2017**
